Grant McMillan, President

New WorkSafeBC Chair

There is a new Chair of the Board of Directors at WorkSafeBC. Dr. Kunin has been appointed for a two-year term until May 20, 2010.

Doug Enns, who had served as Chair for six years will be remaining on the Board until December 31, 2008, when his term expires. He leaves the Chair role for personal reasons.

Dr. Kunin is a long-term a member of the Board of Directors as a public interest representative.

Dr. Kunin is the principal of Roslyn Kunin and Associates Inc., an economic consulting company specializing in the labour market and human resources. In addition, she is Director of the BC office and Senior Fellow of the Canada West Foundation and a member of the National Statistics Council of Statistics Canada.

She has authored material on workers' compensation issues and has demonstrated a fair and balanced point of view.
