COCA Update on WorkSafeBC Activities #458 December 10, 2009

WorkSafeBC Construction Safety Videos Online

WorkSafeBC has produced several excellent short safety videos that are now available online.

The videos graphically show the results of accidents with circular saws and nail guns. They only run a little over one minute and would be great additions to safety talks.

To see the videos online, go to:

<http://www2.worksafebc.com/Publications/Multimedia/Videos.asp?ReportID=35137>

Then click on: You're a Pro: Power Tool Safety
