COCA Update on WorkSafeBC Activities #451 October 7, 2009

Notice from BC Safety Authority

In response to a number of expressions of interest, the BC Safety Authority has decided to add another meeting in the Lower Mainland to its consultation process on this proposal. The meeting will be held on **Monday, October 26, from 6:30 – 8:30 p.m. at BCIT, Building SE1 (Electrical Training Centre), Room 109, 3700 Willingdon Avenue, Burnaby.** We would very much appreciate your informing your members of this meeting, and we hope to see many of them there.

You might be interested to know that we have now completed four consultation meetings – in Nanaimo, Burnaby, Kelowna and Cranbrook. For the most part, the response has been very positive, and we have received some helpful and constructive suggestions for ways in which the proposal might be improved.

In addition to the Lower Mainland meeting mentioned above, we will also be proceeding with the remaining three consultation meetings posted on the BC Safety Authority website (www.safetyauthority.ca <<http://www.safetyauthority.ca/>>):
