COCA Update on WorkSafeBC Activities #537 June 28, 2012

### **WorkSafeBC Announces Blitz on Residential Inspections**

WorkSafeBC prevention officers will be focusing extra attention on slope roofers and framers working on single-family residential construction.

The enclosed material is being distributed by COCA at the request of WorkSafeBC.

It contains information on resources that are available to assist in safe work planning, supervision, worker and employer responsibilities, and ladder safety.

This and other construction safety information is available online at:
