## **COCA Update on WorkSafeBC Activities #556 July 18, 2013**

### Input Requested on Traffic Control Person Training

The BC Construction Safety Alliance is reviewing TCP training in the province with a view to improving the effectiveness of the program.

Specifically, BCCSA is requesting feedback on:

1. The consistency of TCP training and its application on the roadway
2. Effectiveness of the current TCP recertification program (written test every three years)
3. Effectiveness of BCCSA's administrative policies and procedures
4. The relevance of the current TCP course content
5. Regulatory compliance with MOTI and WorkSafeBC
6. Cost-effectiveness of TCP training
7. Other issues or concerns

Please send any input to: Dan Wood of Stonecoast Group:
