Grant McMillan, President

## **COCA Update on WorkSafeBC Activities #570 November 28, 2013**

The following appointment notice was sent out from BCCA and CLRA on behalf of the COCA Partners.

*On behalf of the COCA Partners, we are delighted to announce Dr. Dave Baspaly has been appointed as the new President of the Council of Construction Associations effective November 1, 2013.*

*Dave Baspaly brings extensive expertise in business management, negotiation, and innovation, along with a proven track record uniting diverse interests to achieve results. His consulting practice and recent executive roles at the business and Board level (CEO of the BC Common Ground Alliance, CEO of the Vancouver Division of Family Practice, and Director of the Canadian Association of Management Consultants) have helped him to develop strong relationships with a number of COCA stakeholders, Board members, and affiliated groups.*

*We're confident that Dr. Baspaly will build on the excellent work of outgoing President Grant McMillan, and will continue to foster a collaborative environment in which the COCA team will achieve and exceed its goals. Grant will continue to work with Dave over a transition period. Please join us in welcoming Dave to his new position.*

*Manley McLachlan and Clyde Scollan*
